

INFORMATION, PLEASE...

IT'S BEEN SAID BEFORE, AND IT will be said again: "Knowledge is Power." The electronic music revolution is a microcosm of life in today's fast-paced and ever-changing world. One of the best ways to keep up with the changes is to stay informed by reading about them.

Below is a listing of several companies who publish magazines and books that deal with electronic music making. Write to them and ask for one of their catalogues. You may find just what you're looking for.
