Benefactor of PAS	\$1,000
Patron of PAS	\$ 500
Sponsor of PAS	\$ 250
Friend of PAS	\$ 100

If you are interested in increasing your level of support and receiving all of the benefits of Sustaining Membership, including having your name listed in each issue of *Percussive Notes*, please contact the PAS office.

THE PAS WORLD PERCUSSION NETWORK

The PAS World Percussion Network Committee has been working very hard putting together ideas and even a working model that may be available for demonstration to the membership at PASIC '91 in Anaheim. The Committee will also be making a presentation to the PAS Board of Directors.

You can play a very important role in the continued design and development of this project by completing the questionnaire below and returning it to Norm Weinberg by August 1. *You may photocopy the questionnaire if you wish.*

The PAS "World Percussion Network" Wants Your Opinion

The PAS World Percussion Network will be a vast, on-line library of resources concerning percussion performance, research, education, and literature. Data stored on the Network will be accessible to the entire PAS community—including those members without computers. Please take a few minutes to fill out this questionnaire.
